Back for a two-issue AHOY anniversary special: the “wonderfully entertaining series, combining all the tropes and trappings of serious sci-fi with the ridiculousness of cats being cats” (Comics Beat)! In this all-new epic, Captain Ginger and his crew find themselves scattered across a thousand light-years, facing the twin mysteries of the Captain’s long-missing father—and the final fate of the human race. By Stuart Moore (Marvel Crisis Protocol) and June Brigman (Power Pack), with a galactic variant cover by Walter Simonson (Thor, Ragnarok)! Issue #1 also features a new installment of the AHOY fifth anniversary prose serial by Alex Segura (Secret Identity).

Get ready for a red-hot futuristic erotic thriller that sits at the intersection of sex and tech by exciting new writer Sarah Cho and artist Priscilla Petraites (CHARIOT, HIT ME). Lacy is an A.I. sex worker in a futuristic Red Light District. And Lacy knows exactly what her clients want — better than they know it themselves. Housed in a high-tech brothel under the watchful eye of the mysterious Mister, Lacy has little in her manufactured life besides work. All that changes when she befriends Natalie, an orphaned child who comes into her care. Now Lacy and Natalie are on a mission to escape the Red Light District, only to find themselves flung headlong into the mystery behind Lacy's creation.

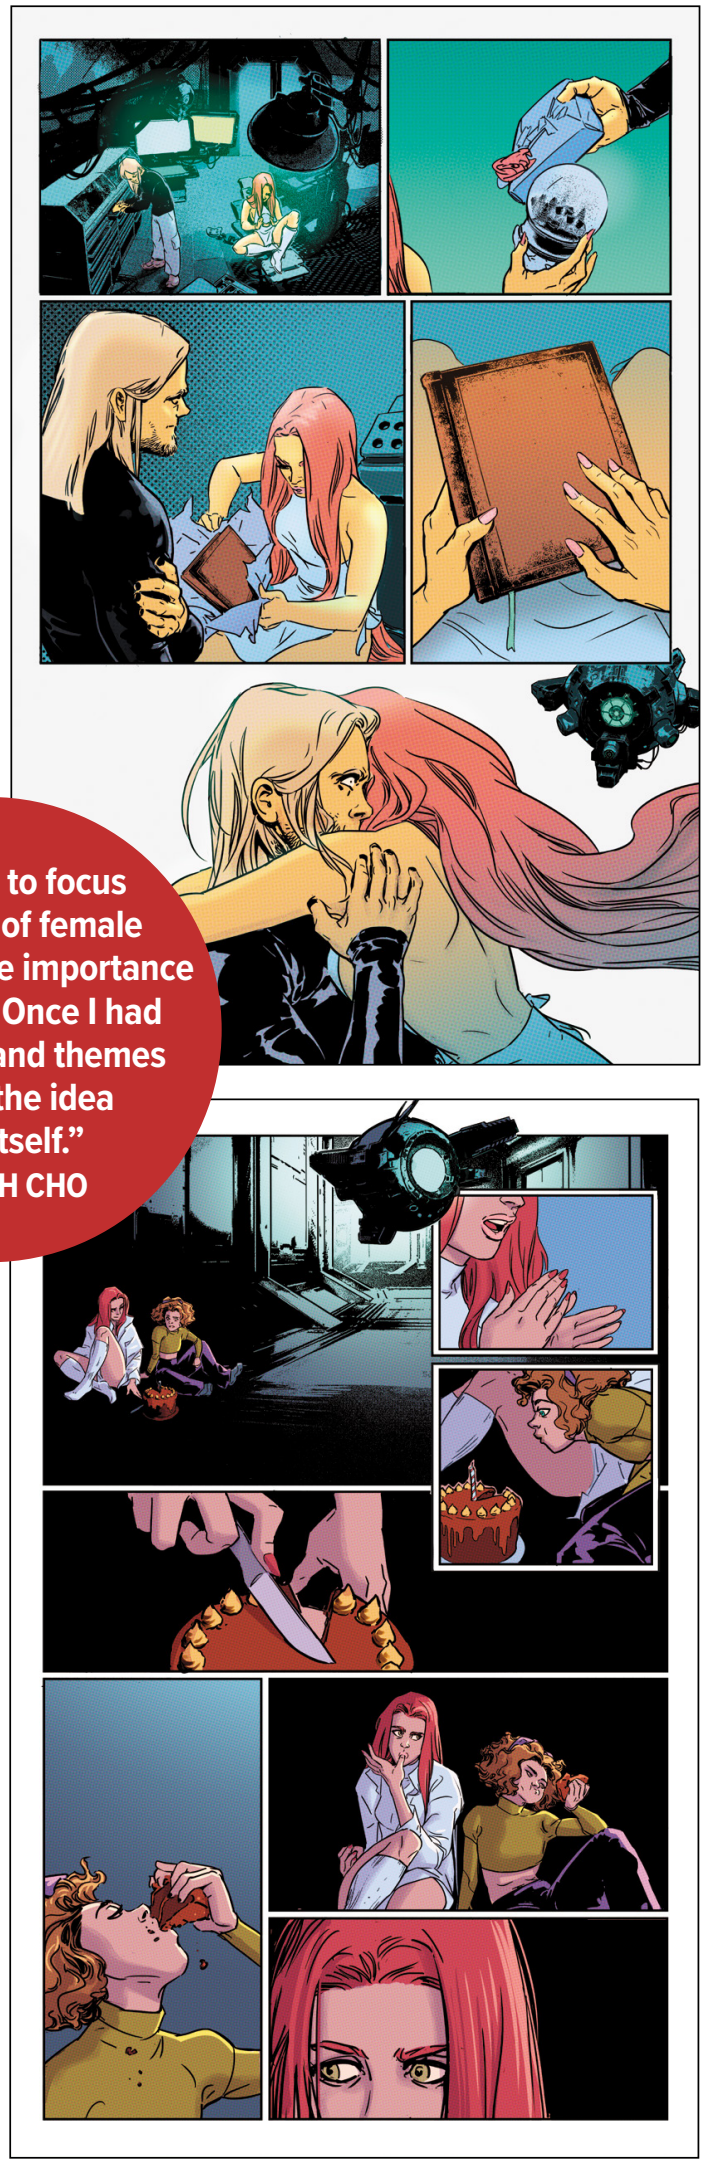
RED LIGHT #1

Illustrated by **Priscilla Petraites** Colored by **Miroslav Mrva**

"I wanted to focus on themes of female agency and the importance of empathy. Once I had a character and themes in mind, the idea wrote itself."
— SARAH CHO



Written by AWA and comic book newcomer Sarah Cho—a playwright/filmmaker/writer known for her L.A.-based sketch comedy team Thunderdog—with art by Priscilla Petraites (CHARIOT, HIT ME) and Miroslav Mrva (YEAR ZERO VOL. 0), RED LIGHT posits a classic girl-escapes-bad guys-and-goes-on-the-run survival tale, but with a decidedly futuristic sci-fi twist.

Cho admits to "reading a ton of manga" while growing up, and "that evolved into reading comics and graphic novels...however, [RED LIGHT] is the first graphic novel project I've tackled." The transition to writing graphic fiction shouldn't be too challenging for Cho—she's already a working screenwriter, playwright, and comedian.

"Though it was a new experience, I dove in headfirst, and it was like a fish to water. It felt natural and it felt right," Cho says.

"I knew I wanted to write something in the erotic thriller space," proclaims Cho when asked how the idea for RED LIGHT developed. "I wanted to focus on a protagonist we haven't really seen before – the most unlikely hero in a sense. I've always been a writer who explored the interiorities of unlikely protagonists."

THE MARVEL ART OF ALEX MALEEV

Art/Cover: **Alex Maleev**

Eisner Award-winner **Alex Maleev** has worked on several Marvel titles, including seminal runs on ***Daredevil***, ***Spider-Woman***, and ***Moon Knight***. Maleev began working in comics in the early 1990's and quickly rose to prominence on several high profile projects at other companies, before teaming with ***Brian Michael Bendis*** on ***Daredevil***, and reuniting with Bendis to re-imagine ***Spider-Woman*** and ***Moon Knight***.

The Marvel Art Of Alex Maleev collects Maleev's sublime artwork on those Marvel titles and more, and includes never-before-seen sketches, behind-the-scenes material, and an introduction by **Brian Michael Bendis**.

In addition to the regular edition of this book, Clover Press is proud to also offer an exclusive edition only available to Direct Market shops. This edition will not be available in other stores.

KABUMPO IN OZ

Writer: **Ruth Plumly Thompson** • Cover/Art: **Sara Richard**

On Prince Pompadore's 18th birthday, his cake explodes, revealing a magic scroll, a magic mirror, and a doorknob. The scroll warns the prince that if he doesn't wed a "proper princess" within seven days, his entire kingdom will disappear. He and the kingdom's wise elephant Kabumpo embark on a new adventure to the Emerald City to marry Princess Ozma. But when they finally arrive, they find the princess and her palace are missing!

This is the 16th book of Oz, and the 2nd written by **Ruth Plumly Thompson**. This new hardcover edition of the 1922 book features a new cover and interior illustrations by Eisner nominated artist **Sara Richard**. No Oz collection is complete without it!

When the planet Krypton exploded, its last son was rocketed across the cosmos and came to settle in a small town in Kansas. But what else came with him, and what if a piece of his home landed somewhere we never knew about? As Superman has become a symbol of strength and pride for America, the Soviet Union looks to crush that image with a creation of their own, built by their own might and forged by their own power! Robert Venditti returns to the Man of Steel with new artist Gavin Guidry!

SANTA CLAUS IS COMING TO TOWN!
The four-part crossover event of a generation begins when a not-so-jolly St. Nick hits Gotham City to investigate a brutal crime in the days leading up to Christmas…What manner of man or beast could have committed such atrocities?! With the help of his former student, Batman, Santa will team up with the heroes of the DC Universe to right this wrong—or the world wakes up to coal in their stockings! A brutal, two-fisted holiday tale of hope, wonder, and monster hunting is the perfect treat to ring in the holidays—it's Claus in canon!

IT'S THE GOOD, THE BAD, AND THE DEMONIC.

"Never the End."

A universe of secrets is about to come to light.

Batman protects Gotham City from evil. Batman Inc. protects the rest of the known world. But what of the unknown world? What of the ancient evils in hidden tombs and forgotten tragedies from a magic-and-mad-science-fueled super-heroic century? Using his fortune, Luke Fox launches a new organization dedicated to shining light into the world's darkest corners. His first recruit: Kate Kane, the Batwoman—who will re-embrace her military background to protect Luke's dream and encounter every bit of strangeness the DCU has to offer. And just wait until you meet the Third Man...or learn what universe-shattering secret they've discovered buried under Antarctica. *Outsiders* is the return of comic book archaeology, digging into all the forgotten corners of DC's history to preserve, record, and better understand the true nature of the DC Multiverse...and the forgotten stories that make up its fabric.

"A devil cub falls to earth and breaks its wing..."

In the unmissable second installment of acclaimed storyteller Rafael Grampá's masterpiece, the skies over Gotham grow darker still. To decide to kill your past is one thing, but actually doing it proves to be more fraught a road than Batman ever expected...especially when that very same past grows more tightly woven into his current case with every new clue he uncovers. And the closer Batman gets to the truth, the clearer it becomes that his real enemy's power runs much deeper than just puppeteering a few costumed criminals...to the very heart of Gotham City itself!

Who's a good boy? Jester is. Well, he wants to be. Maybe he is? He's The Joker's dog, so of course he's funny, but his sense of humor is about to be put to the test. Because when the super-villains of Gotham get thrown into Arkham, their henchpets go to the maximum-security pound known as Barkham Asylum.

Being the Clown Prince of Crime's dog doesn't win Jester any friends behind bars, especially after he gets a tough-talking stray cat named Penny tossed into lockup with him. But they'll have to work together to figure out what the evil Warden Shar Pei's helper, Dr. Hugo Mange, is up to. And the only way to stop this terrifying team-up is to win the talent show and get visitation with their masters at Arkham on the hill. Because The Joker is sure to help!

What could go wrong with that plan? And where does Gotham's premier playboy Bruce Wayne's butler Alfred fit in?

Following the cataclysmic events of "Fear State," Gotham City's residents are thrilled to live another day. But the city's Dark Knight, Batman...feels lost. When his former teammates in Batman Inc. are accused of murder, Batman will get the working vacation he was looking for. But when he leaves the city, he'll find a team that's betrayed him, an old enemy looking to sabotage him, and a deadly new foe known as Abyss who is causing torment across the globe. Also in this volume: Batman teams up with everyone's favorite Gotham Academy student, Maps Mizoguchi, to solve an epic mystery. Collects *Batman* #118-121 and #124.

BATMAN: SHADOWS OF THE BAT: HOUSE OF GOTHAM

For ages, two houses have overlooked Gotham City, beckoning its broken: Wayne Manor and Arkham Asylum. Explore their impact through the eyes of a boy whose life was changed forever when his parents were killed by The Joker and he fell through the cracks of the system. Instead of being sent to a facility that could care for him, he was sent to Arkham Asylum! It's a cycle of violence the Dark Knight has no answer for. Collects the "House of Gotham" story from *Detective Comics* #1047-1058.

BATMAN: SHADOWS OF THE BAT: THE TOWER

Arkham Asylum has fallen. A state-of-the-art facility, Arkham Tower, has been erected in the heart of Gotham City in its place. It's advertised as a place for healing, but what is its mysterious founder, Dr. Wear, hiding? That's just the question that leads the Bat-Family to infiltrate the facility and unravel the dark secrets locked away in Arkham Tower. Will this fact-finding mission turn into a rescue operation for Batman and his team...and is there an even more mysterious threat than Dr. Wear at play? Collects "The Tower" story from *Detective Comics* #1047-1058.

SOMNA #1

NEW SERIES DEBUT FROM **DSTLRY**!

BECKY CLOONAN and **TULA LOTAY**—both writing and drawing a creator-owned project together for the FIRST TIME! Set amidst the terrifying backdrop of the witch hunts in a quiet 1600s English village, SOMNA follows one woman's descent into an erotic escape from the confines of her puritanical world.

Ingrid is unhappily married to Roland, the town's bailiff and chief witch hunter, who is on a single-minded quest to purge the 'heretics' in their midst. After a prominent town leader is found murdered, accusations fly and no one is above reproach from Roland's deadly crusade. Ingrid has her suspicions about who the real murderer is, but even as she pursues the truth, she's pursued herself by a shadowy figure. Ingrid finds that she's drawn to the foreboding phantom in ways she can't resist— does this dark and tempting stranger may hold the key to the mystery...or will he damn Ingrid's soul to the blackest circle of Hell?

From the masterful minds of Becky Cloonan (BY CHANCE OR PROVIDENCE, *Wonder Woman*) and Tula Lotay (BARNSTORMERS) comes an intoxicating blend of history, eroticism, and the supernatural in SOMNA—an evocative masterpiece that draws inspiration from cinematic folk-horror gems like *Midsommar* and *The Witch*— and will transport readers to a world where passion and spirits intertwine, enrapturing your senses and leave you craving more.

THE DEVIANT #1 (OF 9)

SERIES PREMIERE

As snow falls over Milwaukee in 1972, a blood-stained Santa Claus commits unimaginable atrocities against young men. Fifty years later, a troubled young writer interviews this so-called "Deviant Killer," who still maintains his innocence from behind bars. And as Christmas approaches once again, the past returns, wielding a sharpened ax. Eisner-winning writer **JAMES TYNION IV (W0RLDTR33, THE DEPARTMENT OF TRUTH)** and acclaimed artist **JOSHUA HIXSON** (***The Plot***, ***Children of the Woods***) unite for a pitch-black holiday horror story.

SZYMON KUDRAŃSKI

MINISERIES PREMIERE

Living an isolated life in a shadowed valley surrounded by mountains and a thick forest, a father and son are terrorized by a dangerous supernatural presence. Only the father's dark secrets can save them...or damn their souls for all eternity!

Being a single father can be tough, but for Ezra Connolly, it's a duty he doesn't take lightly. Living off-grid, away from prying eyes, in the heart of forest country, he spends his days teaching his teenage son Wil survival skills. But Wil has questions, questions Ezra fears to answer—about his past, and about why they never leave the valley before sundown...

A four-issue horror miniseries from the creator of the breakout hit series **SOMETHING EPIC** and the artist of **SPAWN** and Punisher. **SZYMON KUDRAŃSKI** serves us a story about survival, sacrifice, and hope. Thirty-two pages of story and art for the price of just $3.99!

"All my heroes growing up were writer/artists. It's the purest form of our medium. I now add **SZYMON** to this list of greats. This is Exceptional."
—**MARK MILLAR** (**KICK-ASS**, **WANTED**)

"**BLOOD COMMANDMENT** is the type of storytelling I yearn for. The depth of a human story coupled with the genre-bending horror that keeps me up at night! I love this book!"

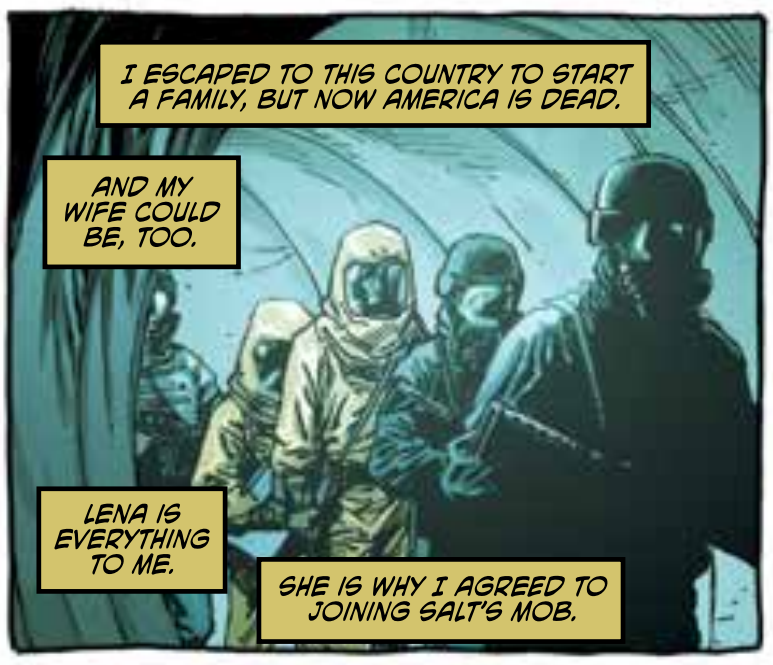
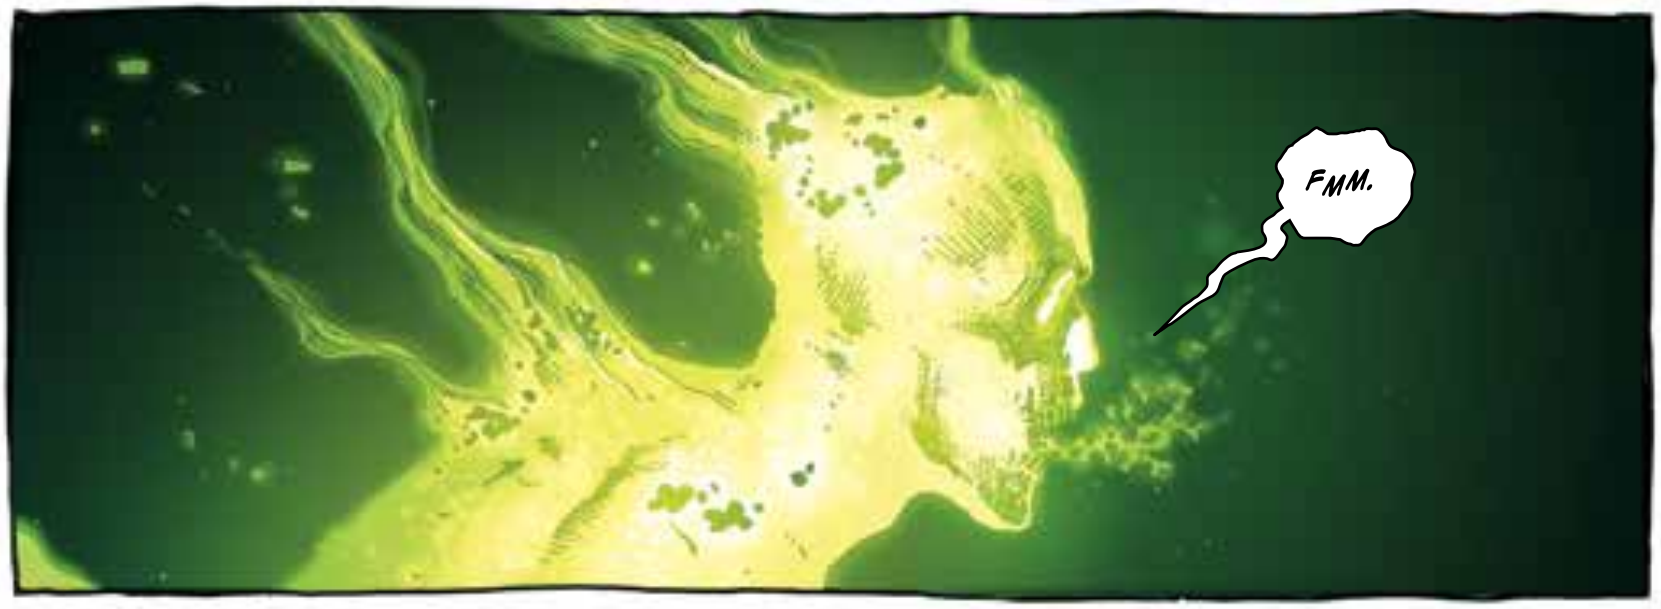
SIX MONTHS AFTER THE BOMBS.
THIS MUST BE MY PUNISHMENT FOR MY ROLE IN THE WAR.



I ESCAPED TO THIS COUNTRY TO START A FAMILY, BUT NOW AMERICA IS DEAD.
AND MY WIFE COULD BE, TOO.
LENA IS EVERYTHING TO ME.
SHE IS WHY I AGREED TO JOINING SALT'S MOB.

LENA IS OUT THERE SOMEWHERE.
SURVIVORS GROW DESPERATE AND DANGEROUS.

AND THERE IS A MONSTER ROAMING THESE DESERTS.



FMM.

I HAD BEEN IN LAS VEGAS FOR AN ENERGY CONFERENCE. LENA WAS ON A PLANE TO MEET ME.

AFTER THE CONFERENCE, WE HAD PLANNED TO DRIVE ACROSS THE COUNTRY TO CELEBRATE OUR DEFECTION AND CHOOSE A PLACE TO RAISE A FAMILY.

BUT WHEN THE FIRST MISSILE STRUCK, LENA'S PLANE WAS DIVERTED TO DENVER. SHE FOUND REFUGE IN A HOSPITAL OUTSIDE OF THE CITY.

OUR COMMUNICATION HAD BEEN SPARSE, BUT I KNEW LENA WAS SAFE.

AS A PEDIATRIC SURGEON SHE HELPED ALL SHE COULD.

UNTIL YESTERDAY, WHEN THE HOSPITAL BECAME OVERRUN BY WHAT WAS LEFT OF THE UNITED STATES ARMY. SHE AND A GROUP OF OTHERS WERE FORCED TO FLEE DENVER.

I WOULDN'T TURN YOUR BACK ON ME OUT HERE, RUSSKI.

I KNOW YOU WERE THE ONES WHO FIRED THE *FIRST SHOT.*

I HAVE NEVER HAD AN AFFILIATION WITH THE RUSSIAN GOVERNMENT.

MOLOTOV!

GET UP HERE!

THAT'S NOT WHAT THEY SAY, DOC.

THEY SAY YOU *DESIGNED* THE *BOMBS* THAT TURNED OUR COUNTRY INTO A *GRAVEYARD.*

ROY!

LET MOLOTOV THROUGH, GODDAMIT!

WOULDN'T TURN YOUR BACK...

SALT IS MY ONLY HOPE TO LOCATE LENA, BUT HE REFUSES UNTIL THE MONSTER IS KILLED.

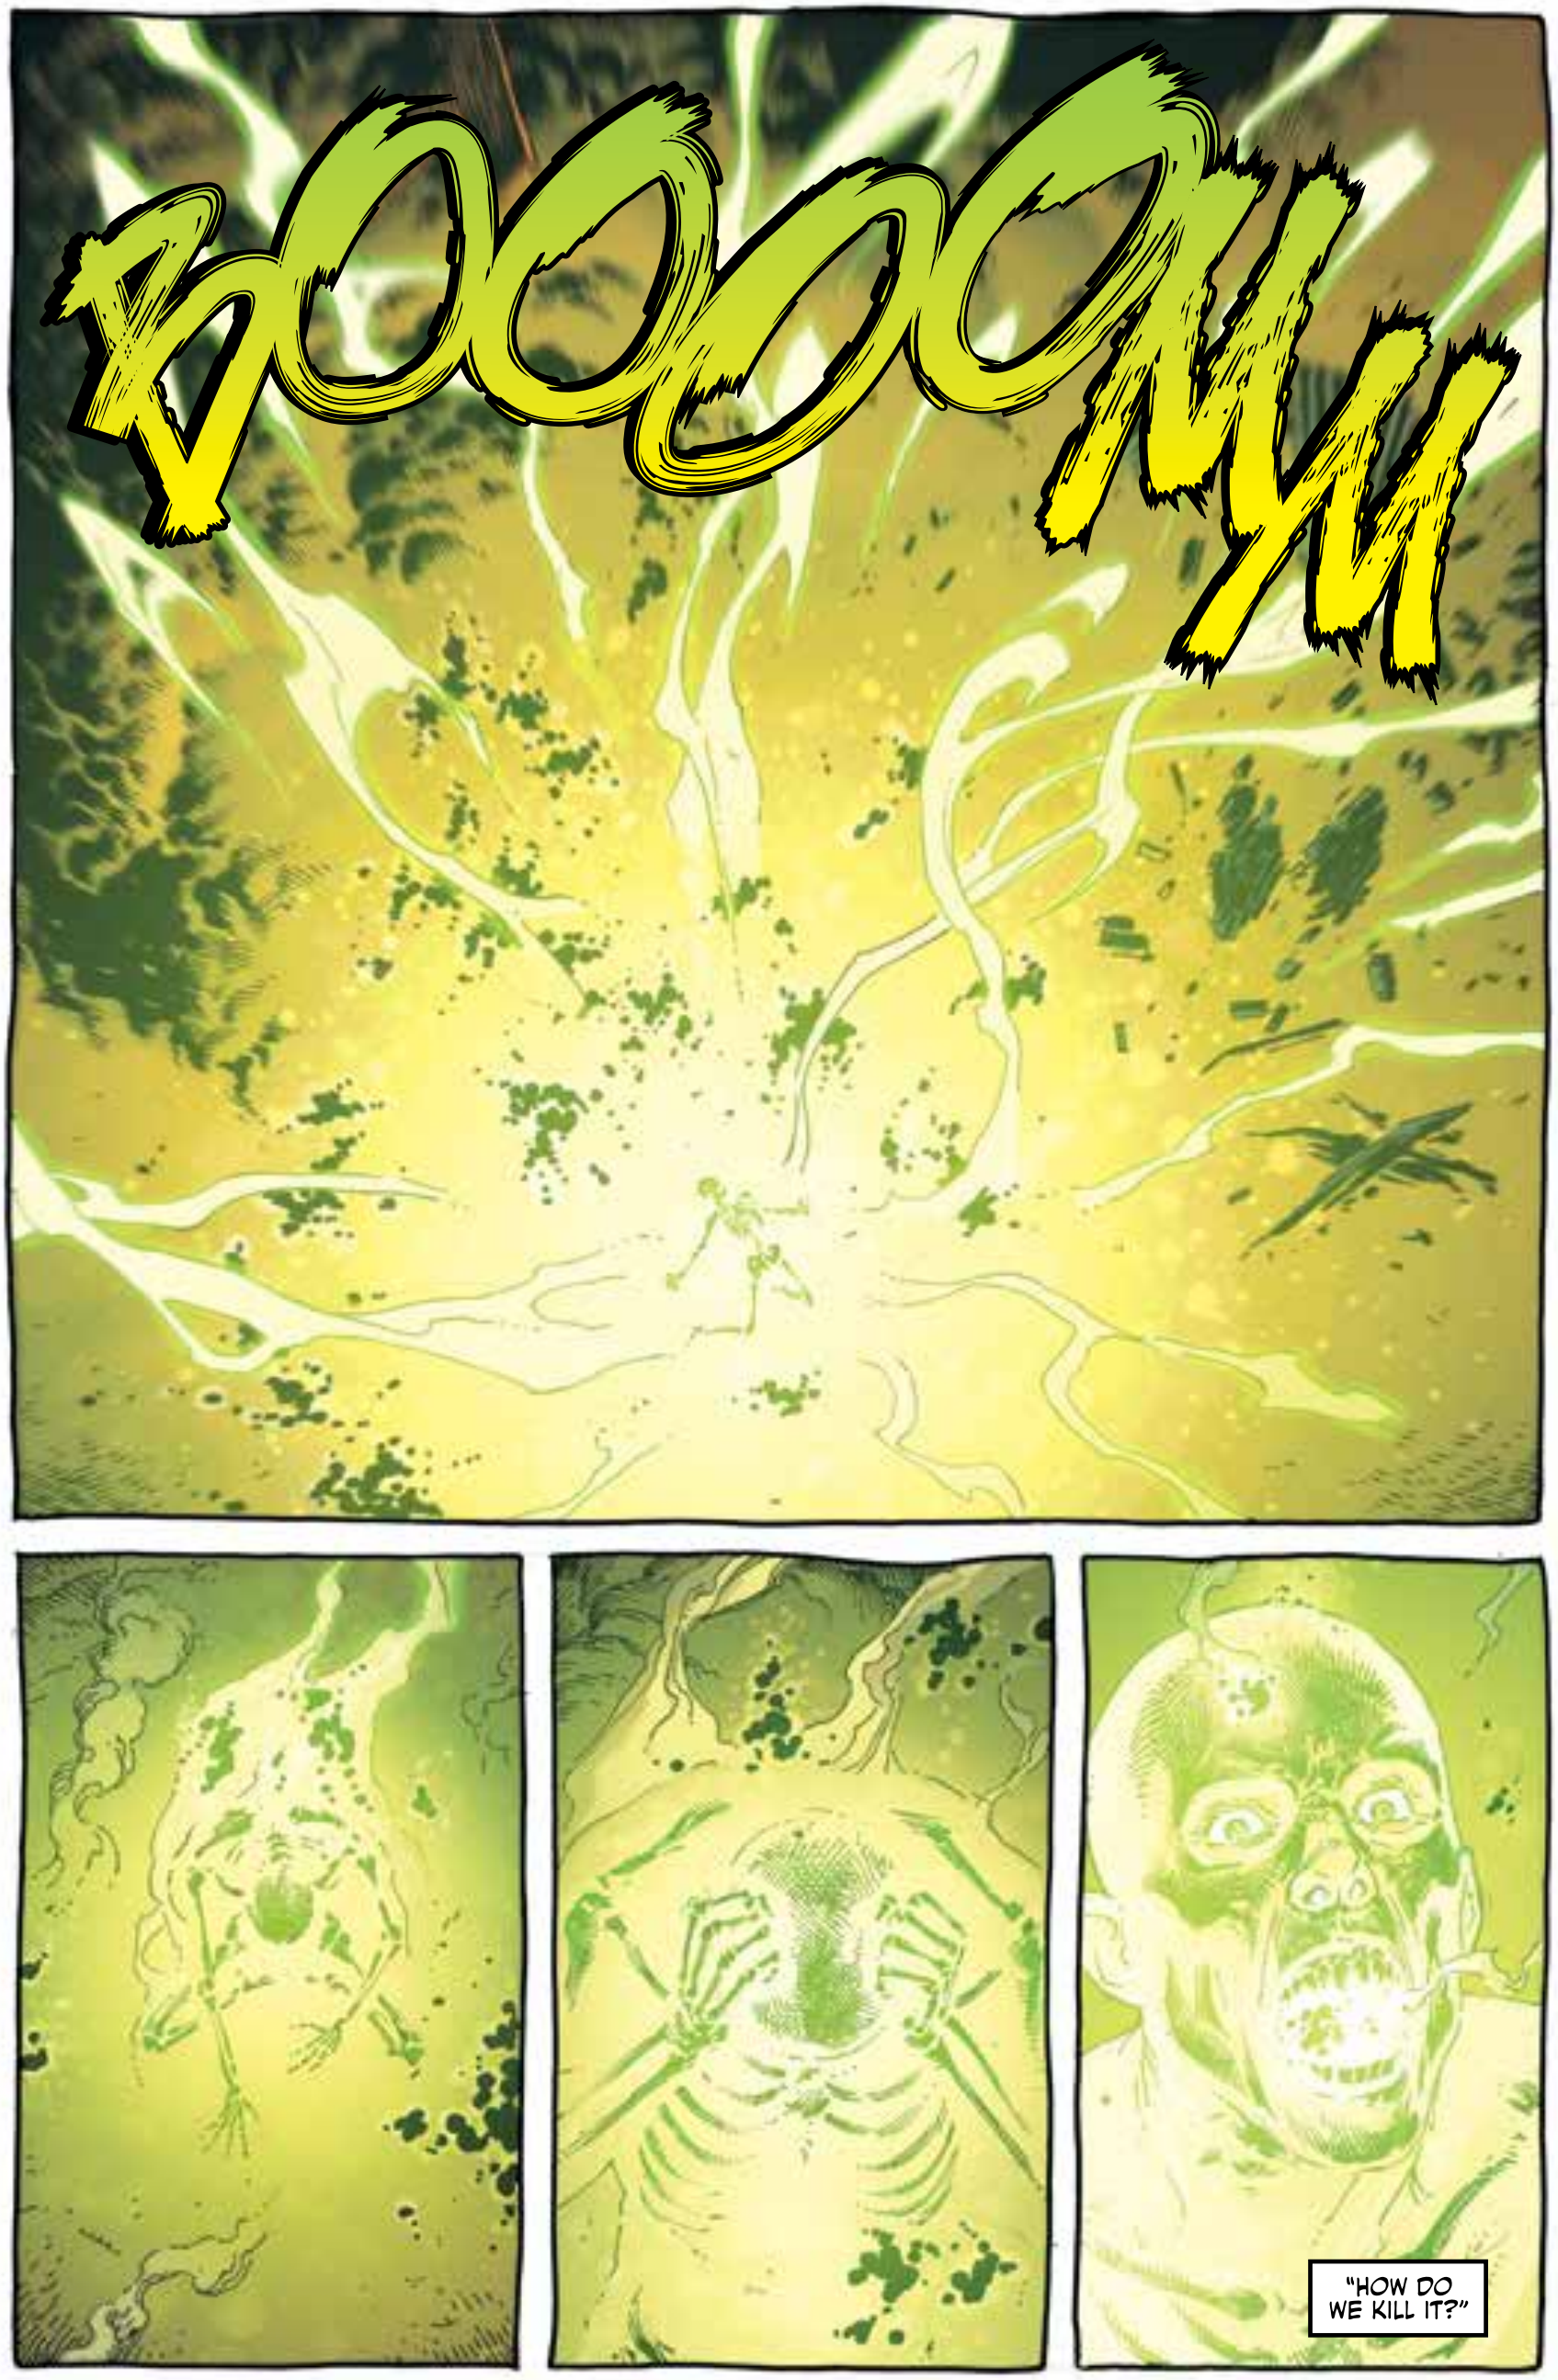
THIS MONSTER TOOK HIS BROTHER.

AND TOO MANY MORE OF HIS FOLLOWERS TO COUNT.

THIS IS WHAT'S LEFT OF LAST NIGHT'S HUNTING PARTY.

TAKE A LOOK.

"AND HELP ME TRACK DOWN THIS DAMN THING."



BOOOM
"HOW DO WE KILL IT?"

A MONSTER WHO BURNS FLESH WITH A TOUCH?

WHERE THE HELL DID *THE GLOWING MAN* COME FROM, MOLOTOV?

I DO NOT KNOW.

WHATEVER IT IS, IT SOMEHOW *ABSORBS* RADIATION... AND THEN EXPELS IT.

AND YOU KNOW THAT HOW?

THE RADIATION LEVELS IN ITS PATH ARE DEPLETED RELATIVE TO THOSE OUTSIDE OF IT.

I HAVE HEARD OTHERS TELL STORIES OF SALT AND HIS TIME BEFORE THE WAR.

HE MANAGED A WALMART.

SO, WE *CAN* TRACK IT?

YES.

ROY WORKED FOR SALT, SPORTING GOODS, GUNS,

IN THE STORE.

DAMN RUSSKI.

THAT'S HOW THEY SURVIVED.

THAT AND PROACTIVELY HUNTING DOWN ANYONE OR ANYTHING THAT THEY BELIEVED THREATENED THEM.

LENA AND HER FRIENDS ARE WAITING AT THE BORDER FOR US TO ESCORT THEM THE REST OF THE WAY HERE.

I NEED TO GET TO THEM BEFORE THEIR CAMP IS DISCOVERED BY SOMEONE ELSE.

BLACK SCIENCE: THE BEGINNER'S GUIDE TO ENTROPY (10TH ANNIVERSARY DELUXE EDITION), VOL. 1 HC

FIRST PRINTING LIMITED TO 6000 COPIES

Grant McKay, former member of the Anarchistic Order of Scientists, has finally done the impossible: he has deciphered Black Science and punched through the barriers of reality. But what lies beyond the veil is not epiphany, but chaos. Now Grant and his team are lost, living ghosts shipwrecked on an infinite ocean of alien worlds, barreling through the long-forgotten, ancient, and unimaginable dark realms. The only way is forward. The only question is how far are they willing to go, and how much can they endure, to get home again?

Celebrating 10 years of the critically acclaimed sci-fi series by powerhouse creative duo **RICK REMENDER** and **MATTEO SCALERA**, this anniversary edition is crammed with sketches, concept art, and other rare goodies in a glorious oversized 8" x 12" hardcover, and features an all-new cover by **MATTEO SCALERA**!

NICK MARINKOVICH

Arminius, a chieftain's son was taken hostage as a child and raised by the Romans. Now an accomplished leader of the Roman army, he has been sent to quell resistance in the land where he was born, but instead has plotted vengeance against his captors. He will unite the Germanic tribes and fight alongside them for freedom from the Empire that butchers their people.

As a ruler in Germania, Arminius wants to make a queen of his beloved Honoria, a fellow slave. But he has not told her of his plans, and she does not share his dreams. Now, in one of the bloodiest battles the Empire will ever see, fifty thousand Romans die to give Honoria a throne she never wanted.

KILLADELPHIA #31

NEW STORY ARC

Enter SPAWN!

The forces of Heaven and Hell clash on the battleground that is Philly and weave into the tapestry of a larger universe when **TODD McFARLANE**'s greatest creation crosses over into the pages of **KILLADELPHIA**! All the power SeeSaw has gained and all the magic he's learned will be put to the test when he faces off against comics' greatest anti-hero! Anything can happen in this bold jumping-on point for new readers that will redefine the **KILLADELPHIA** universe as we know it.

The sold-out, Eisner Award-nominated series continues! From **RODNEY BARNES**, the writer behind such hit shows as Marvel's ***Runaways*** and STARZ's ***American Gods***, and **JASON SHAWN ALEXANDER**, the artist who redefined **SPAWN**. This issue also contains a backup story featuring Hell's Baddest Badass: Johnny Gatlin.

Also available in **NOIR EDITION**, featuring black-and-white line art interiors!

I miss springtime...

...the warm weather, the flowers...they never stay around for long.

Mom loves it here.

She once called this place "our little slice of Eden"...

...and then winter rolled in and killed everything. It was dark, cold, and dry...I hated it so much!

HUFF-

HOLD ON, YULI...

WHEEZE WE'RE GONNA BE OKAY...JUST HUFF HANG IN THERE FOR ME, OKAY?!

HRRRMF!

So I asked her: "Mommy, how can this be Eden?! I'm Freezing!"

And she giggled, looked at the snowstorm, and said: "Oh, this?"

A-ALEX?

"It's just the Edenfrost. Don't worry, Vlinka, it will pass."

N-NO... W--

YOU'VE BEEN CANCELLED TPB

The Running Man and *Squid Game* meet the kinetic martial arts action of *The Raid: Redemption* in this fresh and ambitious graphic novel. In the near future, cancel culture means more than just losing your job...it could mean your life.

CANCELLED is the world's premier entertainment event – a live-streamed program where elite bounty hunters called "Cancellers" kill individuals who society has voted to "cancel" following heinous actions or offenses. But CANCELLED is not just a form of violent entertainment. It's one of the last forms of upward mobility for an increasingly oppressed lower / middle class. Want to escape the gig economy? Pay off your crushing student debt? Cover your sick parents' medical bills? CANCELLED just might be your way out. But you're going to have to get your hands dirty.

EXORCISTS NEVER DIE TPB

The eternal battle between Heaven and Hell rages on with your soul as the prize. All that stands between them and us are the Combat Exorcists, sworn to knock demons back into hell through their unique mastery of the God flow — the ability to channel the unique traits of divine beings from different levels of angels to old testament creatures to horrific beasts featured in the Book of Revelation.

Syd Miller and Ellen Blair are the world's two premiere Combat Exorcists — the only problem? After a nuclear breakup years ago, they can't stand each other. But when the biggest soul auction in history kicks off beneath Los Angeles, Syd and Ellen have no choice but to come together to raid the HELLSCRAPER, an infernal tower going straight down into the Earth. With thousands of souls on the line, Syd and Ellen must fight their way to the bottom or die trying.

THE DEVIL THAT WEARS MY FACE #2

Now trapped in Santiago's body, Father Vieri finds himself locked in the dungeon of the Castillo Lazarus — and at the sadistic mercies of the Inquisition. Yet as this exorcist now burns at the touch of the Cross, can Vieri escape before the demon Legion uses his body to paint the Vatican red? And when suspicion mounts over his new host's changed demeanor, to what terrifying lengths will Legion go to avoid being discovered? As the Devil lurks in the Church's most precious sanctum, no one will be prepared for what happens next — and in one bloody instant, the fate of Rome will be changed forever.

Equal parts *Face/Off* and *The Exorcist,* Ringo Award-winning writer David Pepose (*Moon Knight: City of the Dead, Savage Avengers*) and Bram Stoker Award-nominated artist Alex Cormack (*Sea of Sorrows, The Crimson Cage*) conjure a harrowing tale of terror, action, and body-swap intrigue that will leave comic readers at the edge of their seats.

From the magnificently distorted imagination of Eisner Award-nominated cartoonist Matt Lesniewski (Mind Mgmt Bootleg, Crimson Flower, The Freak) comes a new milestone in comic book storytelling that must be seen to be believed: Faceless & the Family!

On the broken and warped world known as the Hand Planet, the wanderer simply called Faceless ekes out existence on the margins to escape the shame that cost him his name and his identity. Exiled for his crimes, Faceless now calls the wastelands his home—until the good fortune of fate delivers him a mismatched band of fellow travelers who will soon become family . . . if they can survive a suicidal mission into the Hand Planet's class-segregated Finger Cities to restore what lies beneath Faceless's helmet and, with it, his hope in humanity.

With the fate of their family and possibly the whole world at stake, can Jonna and Rainbow rescue their dad, battle countless monsters, and tell each other how they really feel?

Jonna and Rainbow are sisters, but that doesn't mean they're all that similar: Rainbow's the bookish one, Jonna is the whirlwind. Jonna's also incredibly strong and nearly invulnerable—which will come in handy as they search the ruined, monster-infested wasteland that was once their home while looking for their missing father. Their world, once lush and bountiful, has been overrun by giant monsters and prickly, unnatural vines that strangle the life from the natural flora and fauna.

Their differences sometimes feel bigger than they know how to handle, but the girls set out across the broken land to reunite their family, following other survivors and word of mouth from one place to the next. From a cave of huddled refugees to a hidden city of humans that have built a home in the shattered remnants of a mighty redwood forest, things are rarely what they seem. One thing is for certain, it's a thrill ride from start to finish, and Rainbow and Jonna won't stop till they find their father... and maybe even save the world!

Collects issues #1-12 of the instant classic of all-ages comics by co-writer/artist Chris Samnee (Daredevil, Black Widow), co-writer Laura Samnee, colorist Matthew Wilson (Eternals), and letterer Crank! Includes a special “”Making Of”” section.

From the mind's eye of master storyteller Cullen Bunn (The Sixth Gun, Basilisk) and rising star Arjuna Susini (Made Men) comes a darkly glamorous tale of bone-splintering terror at the intersection of shadow and light . . . dream and nightmare . . . life and the grim specter of Death himself.

After weeks of grueling rehearsals, a new production is set to begin at the famed Requiem theatre: Razide's Lament, three acts of gothic horror set inside a haunted castle with a story that some say is more than mere fantasy. Under the stern rule of a dedicated but temperamental director, the script seems to be ever-changing, and, more mysterious still, our lead actress has found herself cast in the role of a lifetime without so much as an audition. Her grand debut is fast approaching–and, with it, a barrage of razors in the night that will terrorize audiences and actors alike. There is no exit, no escape, and when the curtain finally rises, Razide himself will take center stage to cross the threshold into the unholy darkness that lies just beyond . . .

Rick and Morty face a foe unlike any they've seen before. Well, it's basically Jerry, but he's huge, fast, vicious, and... naked? Rick has the perfect solution: a giant mech fighting robot, perfectly designed and calibrated to take on the Jiant horde—but it needs a puny, socially isolated, 14-year-old pilot. Oh, we've got one!
Summer, Morty, and his charming new friend Rowan navigate this violent post-apocalyptic world, where they still have to go to high school and Rick seems oddly invested in upgrading the mech with stylish new features.

The students of the School for Extraterrestrial Girls has met their match when they collide with the School For Extraterrestrial Boys!

The extraterrestrial girls are back! With their former school compromised, exposing Tara, Misako, Summer, and Kat, to possible danger from unknown alien forces, they all must relocate to a new hidden school--The School for Extraterrestrial Boys! Located on a hidden island in the arctic north, the new campus has a mysteriously warm summer climate, a beautiful lake, and dozens of sinister mysteries! The girls are staying in what appears to be summer cabins on the lake while going to school in the mysterious castle where the boys stay. This is all under the watchful eye of the boys' headmaster, Headmaster Stokes—an arrogant man with an unknown agenda and an obsession with Tara's people. They may still be in school, but this will be a semester full of blossoming romances, learning to love themselves, and trying to survive the mysteries of both this terrifying island and boys! Romance, magic, and near-death experiences are all part of a regular school day at the School for Extraterrestrial Girls.

Tara Smith's parents are super strict with all their rules and routines, and Tara is a dutiful daughter. Rule #1: No friends her own age. Rule #2: keep her bracelet on, or else. But when she breaks her routine—and then loses her bracelet—she's in trouble.

Now outed as an extraterrestrial after wielding fire and losing her humanoid form, Tara is captured by the government. She's given two options: get shipped far away where she won't be a danger to anyone or stay on Earth and join a school for other extraterrestrial girls like her. Things at the school aren't easy—especially for the girl whose only friends were textbooks. But Tara's goal to learn how to control her powers is soon sidelined by the discovery that the people she's called Mom and Dad all these years aren't her parents.

A small village in the north of Quebec, Guyenne is run as a cooperative, with 50% of the inhabitants' paychecks going into a communal pot to develop the colony—hence the village's nickname of "Little Russia." Based on the memories of author Francis Desharnais' grandparents, who lived in Guyenne from 1948 to 1968, this moving graphic novel delves into family history to explore Canada's rural heritage through the lens of both grassroots socialism and early feminism. An intimate story of epic scale, and the winner of multiple "Best Book" awards, LITTLE RUSSIA is a fascinating foray into an unusual and largely forgotten social experiment.

NAKED: THE CONFESSIONS OF A NORMAL WOMAN TP

ARTIST | ÉLOÏSE MARSEILLE
COVER | ÉLOÏSE MARSEILLE

FULL COLOR | 168 PAGES | $19.95
IN-STORE DATE | 11/8/2023
FOC DATE | 10/8/2023

In this unabashed and uncensored personal memoir, author Éloïse Marseille examines her sexual education (and miseducation), from a forbidden first kiss with a female best friend in Catholic school to her exposure to the extremes of online porn, fumbling hookups, and navigating the complexities of lust and love in the modern era… But most importantly of all, the author's nuanced relationship with her own body, sexuality, and self. A raw, hilarious, and deeply touching book, NAKED: THE CONFESSIONS OF A NORMAL WOMAN makes a powerful case for a sexual politics that is open, demystified, and free of shame. Mature Readers.

I was very confused.

I mean... Gay people KNOW they're gay, right?

It's innate! You just feel it, NO?

I've never felt the same type of sexual desire I had towards men, but at the same time, I viewed both so differently.

I'm Jack Dawson

I objectified men, while I admired women.

Wow! He's so hot!

Boyfriend material?

Woah! She's incredible!

I have a "friend crush" (Yeah... a friend crush, not a real crush, DUH!)

Yeah, sorry boys... I know how that sounds...

I think movies and media really drilled into my head that every man that crossed my path was potentially the man of my dreams and nothing more...

Don't worry, I did manage to deconstruct this idea in my mind.

SO, to finally know if I had a lil' queer in me, I decided that the perfect test would be to go on a date with a woman!

It's the PERFECT test!

That's how I met "Agatha" on Tinder.

We met at a bar.

Agatha!

Elo!

She was beautiful.

Hiii!

It was my first time flirting with a woman, and I didn't really knew how.

Uh after you?

Haha sure!

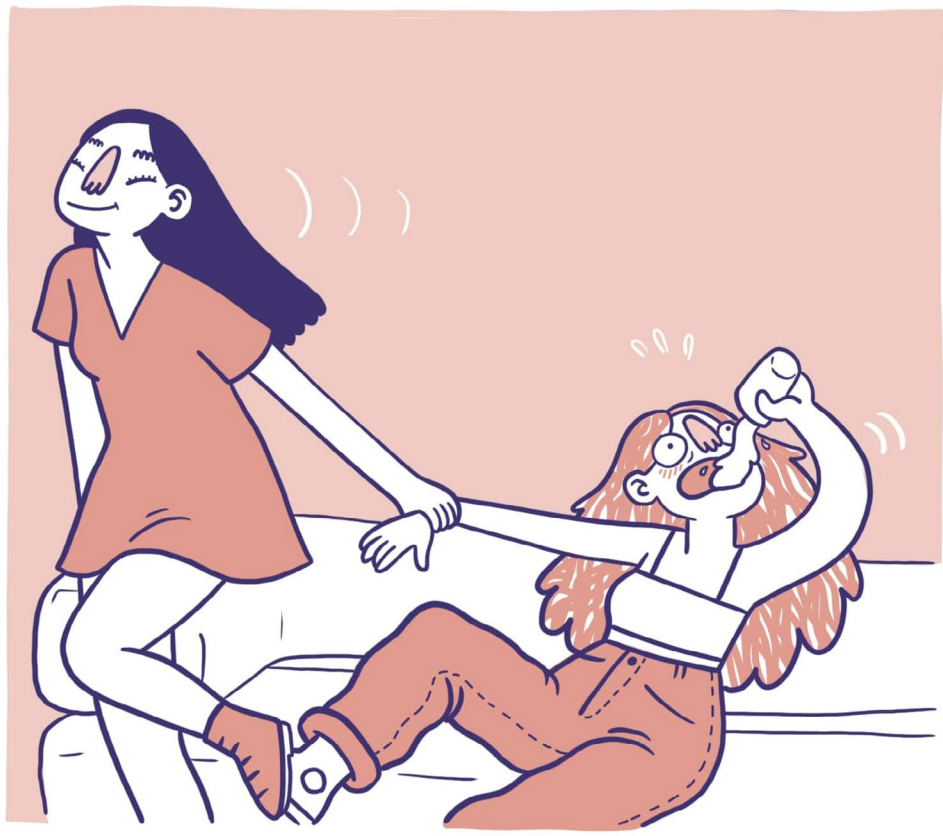
I was very shy.

Cheers!

We didn't really have anything in common, but we were having fun!

I'm done with my drink! Wanna dance?

Uh ok!



I'd never danced with anyone like that.

Dancing with men was rough and agressive...

With her, it was...soft.

Death waits... Famed author Titus Caropin is stuck with a bad case of writer's block and keeps pushing back the release date on the seventh book in his best-selling series. He has run out of inspiration, and even karaoke can't seem to bring the old magic back! But when Titus gets a visit from the Grim Reaper, his biggest fan who just wants an autograph (and Volume VII of his fave series), the pressure to finish his latest book becomes unbearable. A wordless meditation on death and the creative process, VII is existential slapstick at its best - showcasing both the fluid style and narrative ingenuity of first-time author Thom, who proves that the right picture can truly be worth a thousand words.

Best friends Meeky and Stig, alongside their two animal companions, Ferry and Slothie, embark on everything from light-hearted shenanigans to the wildest adventures imaginable in this short story series. Pure fun and good-spirited hijinks abound! Aliens and pirates may only be as far away as a laundry basket, the old pinball machine in the garage, or as Kings and Queen of fable… But don't think this is all make-believe. The kids' imaginations are so grand that they might just be affecting the reality around them! So if you see that dirty sock on your floor moving, be careful! There might be a shark hiding in there! Not sure where your vegetables went? The Aspariguys might have freed those captives! Fans of Saturday morning cartoons will love the heartwarming antics of this crew!

Mr. Easta has to repay his debt to Intergalactic Warlord Dr. Bone by scouring the universe for the targets on his hit list. This adults-only romp through time and space sees Easta and Frank soon establish that a sinister coincidence exists between the targets on the list. They are all members of the powerful intergalactic trade union. "Offing" these people would incite a massive trade war and leave the universal market open to Dr. Bone and his ethically questionable products.

Have you ever met someone who never uses recipes, yet makes incredible meals every time? It seems to be a magic preserved only in the hands of grandmothers, or any passionate provider. An ancient, special knowledge that takes a lifetime to perfect. But that's not always true. You can start learning now, and you probably know far more than you think.

Inside this fully illustrated cookbook is an introduction to intuitive food preparation! Meaning less reliance on teaspoons, grams, degrees, and exact cook times, and more on the way humans have always cooked: by tasting, watching, smelling, listening, feeling, and remembering. Follow along with home chef Mariah-Rose Marie to learn how to measure with your hands, season with your senses, balance flavors on the fly, remember ratios, and more—all with minimal equipment and minimal spending.

You can practice your new knowledge with the twenty delicious vegetarian recipes collected from family, friends, and contributors throughout the globe. From Persian kashk-e bademjan and Icelandic skyrterta to Mexican-Taiwanese horchata con boba, the recipes range from traditional to transformed, reflecting the way foods—like people—migrate, mix, adapt, and are remembered. This book was created with international and financial accessibility in mind, and the hope that readers of all backgrounds will find appreciation for the myriad people and flavors of our shared world.

So grab your trusty cast iron skillet, and get cooking!

A wildly imaginative fantasy graphic novel about the responsibilities of creation.

Leftstar can't seem to access the world they've been building. They also haven't slept in a long time. These things are almost certainly unrelated, and they should really go get the mail, anyway. But their trip to the post office is interrupted by a curious visitor: an enormous fruit bat. Whisked away in the bat's claws, Leftstar is taken on an adventure to unblock the path to their deserted creation. Between bites of pie and words of wisdom, can Leftstar remember the most crucial part of invention?

Find out in this chill and cozy story, potentially familiar to those who find themselves trapped outside of their own worlds.

In the 1970s, Peter Laughner was a founding figure in a primordial ooze of what would come to be called punk rock, in the somewhat unlikely, somewhat necessary place of Cleveland, Ohio. Bands like Pere Ubu, the Electric Eels, Rocket From the Tombs, the Dead Boys, Devo, and the Pagans all intermingled in this psychosphere; Laughner touched them all. In 1977 at the age of 24 he became punk rock's first casualty. While his short life ended more than a half a century ago, his legacy continues to resonate. Henry Rollins and Guns N' Roses have covered his songs, while Wilco and the Mountain Goats drop references to him in their lyrics.

Underground comix stalwart Aaron Lange makes his much-anticipated graphic novel debut with this deeply researched biography. Through extensive interviews with the people who were there, Ain't It Fun charts the cultural, environmental, and societal factors that shaped both Laughner and the Midwestern proto-punk subculture he championed. Ain't it fun when you know that you're gonna die young?

"Grounded in real crime, with blazing and withering faces looking into their precious moments and looking back at what's left, this is a mystic story of a city wrapped around the life and death of a musician whose talent, on certain nights, on certain records, was otherworldly. A sense of disbelief churns through the intricate, exploding pages. It seems a wonder there's anyone left to tell the tale." - Greil Marcus, author, music journalist and cultural critic.

“By adapting the very oldest of origin stories into 21st-century comics, Joel Priddy has jolted a forgotten text into life for modern readers. [First There Was Chaos] is inventive: handsomely wrought, and a darn fun read.”—Paul Karasik, How To Read Nancy

Greek myth has inspired stories and art for millennia. And yet some stories and characters remain unfamiliar. First There Was Chaos explores the formless, primordial, and extraordinary forces that preceded the Olympian gods. These tales of Creation illustrate the creative process, giving cosmic form to the universal struggles of all creators.

Framing the narrative is the story of a poet struggling with his act of Creation, hoping to transform nothingness into beauty. His struggles parallel the tales of primordial beings, from the ambitions of formless Chaos to the birth of the first Olympian, Aphrodite.

Based on Hesiod’s Theogony and other classic sources, First There Was Chaos synthesizes fragmentary myths into a compelling narrative accessible to a contemporary audience.

In Holy Fools and Funny Gods, philosopher and cartoonist Izar Lunacek explores the surprising intersections between religion and comedy. Many view religion as a monument to eternal truth. Comedy, on the other hand, is the eternal iconoclast. This conflict between jokers and the faithful frequently marks our present-day culture.

But in pre-Christian times, pagan pantheons included holy clowns precariously positioned at the right side of the main deity. Among many tributes paid to gods, at least one ritual was reserved for the trickster who destroyed the world order only to rebuild it refreshed and new.

What if the priest and the jester are enemies only because they are siblings? What if they are two sides of the same social taboos? When we put gods on pedestals, we also expose them to communal mockery. When we laugh at clowns, we worship their disregard for social convention.

Lunacek's Holy Fools and Funny Gods skillfully blends philosophy with the irreverence of the comics medium into a treatise that is both hilarious and profound.
